PAYMENT TERMS

Due on receipt. ACH or wire to the US account. Funds clear next business day. Reply with any line-item questions.

Eric, this first cycle was the densest stretch of build I have run on a new account in a while. Ad conv. rate up to 2.27%, 21 LPs in flight, the SEO mystery cracked, and the cold email engine warmed and ready. Cycle 2 is already moving. Any questions on this invoice, ping me directly.
